### Safety Data Sheet

according to Regulation (EC) No. 453/2010

Full text of R- and H-phrases: see section 16

| · · · · · · · · · · · · · · · · · · ·  |  |
|--|--|
| SECTION 4: First aid measures  |  |
| 4.1. Description of first aid measures                                       |  |
| First-aid measures general   | <ul> <li>Never give anything by mouth to an unconscious person. If you feel unwell, seek medical<br/>advice (show the label where possible).</li> </ul>  |
| First-aid measures after inhalation<br>First-aid measures after skin contact | <ul> <li>Assure fresh air breathing. Allow the victim to rest.</li> <li>Remove affected clothing and wash all exposed skin area with mild soap and water, followed by warm water rises.</li> </ul>     |
| First-aid measures after eye contact   | <ul> <li>by warm water rinse.</li> <li>Rinse immediately with plenty of water. Obtain medical attention if pain, blinking or redness persist.</li> </ul>   |
| First-aid measures after ingestion   | Rinse mouth. Do NOT induce vomiting. Obtain emergency medical attention.   |
| 4.2. Most important symptoms and ef  | fects, both acute and delayed  |
| Symptoms/injuries  | : Not expected to present a significant hazard under anticipated conditions of normal use.   |
| 4.3. Indication of any immediate medi  | ical attention and special treatment needed  |
| No additional information available  |  |
| <b>SECTION 5: Firefighting measures</b>                                      |  |
| 5.1. Extinguishing media   |  |
| Suitable extinguishing media   | : Foam. Dry powder. Carbon dioxide. Water spray. Sand.   |
| Unsuitable extinguishing media   | : Do not use a heavy water stream.   |
| 5.2. Special hazards arising from the  | substance or mixture   |
| No additional information available  |  |
| 5.3. Advice for firefighters   |  |
| Firefighting instructions  | : Use water spray or fog for cooling exposed containers. Exercise caution when fighting any  |
| Protection during firefighting   | chemical fire. Prevent fire-fighting water from entering environment.<br>: Do not enter fire area without proper protective equipment, including respiratory protection.                               |
| SECTION 6: Accidental release me   | easures  |
| 6.1. Personal precautions, protective  | equipment and emergency procedures   |
| 6.1.1. For non-emergency personnel   |  |
| Emergency procedures   | : Evacuate unnecessary personnel.  |
| 6.1.2. For emergency responders  |  |
| Protective equipment   | : Equip cleanup crew with proper protection.   |
| Emergency procedures   | : Ventilate area.  |
| 6.2. Environmental precautions   |  |
|  | otify authorities if liquid enters sewers or public waters.  |
| 6.3. Methods and material for contain  |  |
| Methods for cleaning up  | : On land, sweep or shovel into suitable containers. Minimize generation of dust. Store away from other materials.   |
| 6.4. Reference to other sections   |  |
| See Heading 8. Exposure controls and person                                  | nal protection.  |
| SECTION 7: Handling and storage  |  |
| 7.1. Precautions for safe handling   |  |
| Precautions for safe handling  | : Wash hands and other exposed areas with mild soap and water before eating, drinking or<br>smoking and when leaving work. Provide good ventilation in process area to prevent formation<br>of vapour. |
| 7.2. Conditions for safe storage, inclu                                      | Iding any incompatibilities  |
| Storage conditions   | : Keep container closed when not in use.   |
| Incompatible products  | : Strong bases. Strong acids.  |
| Incompatible materials   | : Sources of ignition. Direct sunlight.  |
| 7.3. Specific end use(s)   |  |
| No additional information available  |  |
| SECTION 8: Exposure controls/pe  | rsonal protection  |
| 8.1. Control parameters  |  |
| No additional information available  |  |
|  |  |

### Safety Data Sheet

according to Regulation (EC) No. 453/2010

| 8.2. Exposure controls        |  |
|-------------------------------|--|
| Personal protective equipment | : Avoid all unnecessary exposure.        |
| Hand protection               | : Wear protective gloves                 |
| Eye protection                | : Chemical goggles or safety glasses     |
| Respiratory protection        | : Wear appropriate mask                  |
| Other information             | : Do not eat, drink or smoke during use. |

| SECTION 9: Physical and chemica            |                                    |
|--|------------------------------------|
| 9.1. Information on basic physical and     |                                    |
| Physical state                             | : Solid                            |
| Appearance                                 | : Small Diameter (< 3mm) Cylinder. |
| Colour                                     | : Translucent.                     |
| Odour                                      | : characteristic.                  |
| Odour threshold                            | : No data available                |
| pH   | : No data available                |
| Relative evaporation rate (butylacetate=1) | : No data available                |
| Melting point                              | : No data available                |
| Freezing point                             | : No data available                |
| Boiling point                              | : No data available                |
| Flash point                                | : > 55 °C                          |
| Auto-ignition temperature                  | : No data available                |
| Decomposition temperature                  | : No data available                |
| Flammability (solid, gas)                  | : Non flammable                    |
| Vapour pressure                            | : No data available                |
| Relative vapour density at 20 °C           | : No data available                |
| Relative density                           | : No data available                |
| Solubility                                 | : No data available                |
| Log Pow                                    | : No data available                |
| Viscosity, kinematic                       | : No data available                |
| Viscosity, dynamic                         | : No data available                |
| Explosive properties                       | : No data available                |
| Oxidising properties                       | : No data available                |
| Explosive limits                           | : No data available                |
